NHS
Suffolk and
North East Essex
Integrated Care Board

Accessing the Antibiotic formulary via mobile device App

Suffolk and North East Essex integrated care board (SNEE ICB), have been utilising the MicroGuide App as a way to publish the Primary Care and A&E antibiotic formulary for viewing on mobile devices.

The MicroGuide App will no longer be available after 30th September 2024.

The replacement App will be Eolas medical. This will be live from Tuesday 24th September 2024.

To access the SNEE ICB Primary care and A&E antibiotic formulary via the App, please follow the below instructions:

1. Download the app from the app store. Search for: **Eolas Medical**

2. Once the app has downloaded, please complete the sign up information
3. You will be asked to verify your email account
4. Once the account has been verified, complete the registration profile and click finish.
5. Access the East Suffolk and North Essex Foundation Trust's "space" using one of the 2 options below:
    a. Leave the Eolas app, open your QR code reader / camera and scan this QR code on the right
    b. Or, within the app, click "Access Existing Space" and search for ESNEFT, select it then click "Explore Space"

6. This will open the East Suffolk and North Essex Foundation Trust (ESNEFT) Homepage
7. From the homepage, open the Hospital Guidelines
8. Then, open the Primary Care and A&E Guideline
9. This will lead to the SNEE Primary care and A&E guideline selection page
10. Then choose the content you wish to view from the selection of
    i. Guidelines by body system
    ii. Principles of treatment
    iii. Safety Issues/Interactions.

Step 7 Step 8 Step 9 Step 10
