

ESSENTIAL MEDICINES SERVICE

When required essential medicines are needed urgently, these medicines are often used in palliative care.

Community pharmacies often stock anticipatory medicines for palliative care. If you have been given a prescription for palliative care medicines, please always check with your **USUAL** community pharmacy **FIRST** to see if they stock the medicine/s you require.

If your usual pharmacy is Closed or not able to supply the medicine/s you require, please see the list below for commissioned essential medicines service pharmacies.
