---	---	---	---	--

PillTime is an NHS-registered online pharmacy that delivers your prescription medicines directly to your home. Order anytime via the PillTime app. Their service is designed to make medication management easier, especially for patients taking multiple medicines, by providing pre-sorted, clearly labelled medication pouches instead of traditional dosette boxes.

The pouching service has a subscription cost of £3.99 per month. If you do not want pouching, prescriptions delivered in original packaging is free. If you pay for your prescriptions, the NHS fee still applies. If you do not pay for your prescriptions, your exemption status applies as normal. PillTime recommends subscribing to a 3 month trial, so you can fully experience the medication pouch system and delivery service.

Registration is quick and can be done in two ways:

**Option 1: Register Online**

**1. Visit the PillTime website:**

Select “Sign Up” and complete an online form.

**2. Provide your details:**

You will need your NHS login or GP information, your medication list, and personal details.

**3. Nominate PillTime as your chosen pharmacy:**

Once nominated, your GP will send digital prescriptions (EPS) directly to PillTime for dispensing.

**4. Receive your pre-sorted medication pouches:**

PillTime dispenses and packages your medication by dose, date, and time, and delivers it to your door.

Deliveries are sent via Royal Mail, fully trackable, with no extra delivery fees.

**Option 2: Register by Phone**

Patients may call or visit their customer care team for help with registration or prescription queries.

**Phone: 0800 074 3303 Monday – Friday, 9am-4pm**
